

ConnectWEST

Oct. 19, 2020 · 2-5 p.m. PST · Wynn Las Vegas

PLACE YOUR BETS OUT WEST.

After months apart, it's time to come together and start moving forward again with Connect.

Since we are headed west for Connect Marketplace, we are giving our partners an opportunity to take an additional set of appointments in Las Vegas, focusing on regional business. In the past, these were three individual events, but in 2020 we are making it easier to meet face-to-face with buyers specific to your destination.

Please join us for Connect West—a combination of:

- California
- Rockies
- Southwest
